What's Hot In Lighting

Kentfield's Shimmer wall sconce ensures plenty of sparkle with its 26^{3/4}-in.-long strands of dazzling Swarovski crystal pearls and faceted crystal beads, as well as a 5^{1/8}-in.-wide mirrored backplate. The fixture projects 3^{1/4} in. from the wall, takes a halogen light source and is offered in polished or satin nickel. A pendant version is also available. **Circle No. 206**
